Spring Easter Egg Hunt

Neighborhood Children at the 2015 Easter Egg Hunt

Happy Spring!! Can you imagine 96 children and over 1500 eggs? These children can. What a wonderful Easter Egg Hunt with neighborhood friends including crafts, tattoos, treats, and a chance to hold a real live baby duckling. The Easter Bunny's helper even stopped by for pictures with the kids. Many Thanks to Stacy Meyer and her crew for organizing such a wonderful neighborhood tradition for Pacific Pointe.

Pierce Street Improvement Update

Have you seen the flags on Pierce Street? Each of those flags represents a new tree to be planted. The Landscape Committee saw a vision and in the near future you will see a beautiful tree line on Pierce Street.

Speaking of Pierce Street, the apartment complex to be built at the northwest corner of 192 and Pacific has been approved. Within the next 60 days the builder is planning on grading and clearing the land. Our tree line is just in time.

Speaking of streets.
Handy Numbers

Call OPPD if your street light is out: 800.554.6773
Call Street Maintenance for any road repair: 402.444.4919

2015 Neighborhood Garage Sale June 4, 5, 6

The annual neighborhood garage sale will be held Thursday thru Saturday, June 4-6, 2015. The association will print flyers and place advertisements to increase traffic to the neighborhood. Historically, this has been a great way to shed some of that “extra stuff” from your homes. More information can be found by visiting our website at www.pacificpointehoa.com.

2015 Neighborhood Garbage Day May 9

Do you have items you would like to get rid of prior to the garage sale? On May 9 between 9 & 2 at Spring Ridge Elementary parking lot, you may dispose of your unwanted items except for the following: tires, major appliances, regular garbage, and rocks/concrete. Liquid toxic material is collected by Under the Sink (underthesink.org) and you will receive a voucher for any yard waste and tree debris to take to the landfill. Volunteers will be needed to assist in monitoring what gets tossed. Please contact the Board if you are available to volunteer an hour to help us that day.

Pond News:

The Landscape Committee honored the results of the neighborhood survey and spent many hours debating on who, what, when and where. Our pond is spectacular. Many people have enjoyed the pond. Memories are being made by catching tad poles and catching and releasing beautiful bass. However, there are those who continue to vandalize this beautiful pond by tossing in the small rocks and heaving over the big ones too. The cost involved in fishing out these rock and replacing rocks does come at a price. Please continue to encourage everyone to not throw rocks into the pond.

Congratulations to all our new young drivers!! Please remember the speed limit in our neighborhood is 25. Slower is even better as we have many children. Let's be safe out there.

Keep Our Pond Great by Remembering:

1. Our Pond is private to our neighborhood residents.
2. Please encourage everyone to keep the rocks on the banks.
3. Enjoy the great fishing experience in our pond. Please remember to toss them back in as we have a “catch and release” pond.
