Quick Recap of Recent Events

Despite the rain, 99 little egg hunters had a blast at the Easter Egg Hunt. Thank you to Stacy Meyer, family and crew for another wonderful event.

We hope the Spring Clean Up was helpful to those wanting to get rid of those large items. Congratulations to Carrie McLaughlin for winning the \$25 gift card to Pitch for volunteering at the Spring Ridge drop off location.

Thank you to Roxanne Andrlik and Lindsay Hollingsworth of The Metro Pros Berkshire Hathaway Home Services Ambassador Real Estate for providing our garage sale signs.

Landscape Committee Update

We are all aware of the construction at Pacific Street and 192nd by Swain Construction. The city is going to widened Pacific Street from 192nd to 195th and turn lanes will be in all directions at the intersection of 192nd and Pacific. The road will be widened enough for shoulders on either side of the street and will be resurfaced with asphalt. The many calls to the city regarding the safety of these roads has made a difference. The Committee has been working with Lanoha for the replacement of dead trees, mulching around the Crab Apple Trees and outlining a plan for additional trees along Pierce Street once construction is complete. There has also been an effort to clean up the entrance area at 192nd as well as Outlot B on Pacific. If anyone is interested in joining the Landscape Committee, please contact Sherry Zehr at sherry@pacificpointehoa.com.
